Food & Beverage

We have put together a selection of appetizers, menus, breakfast and coffee breaks as well as drinks separately for you. The Event Team will be happy to advise you. In our restaurants, we offer a choice of meals on site for up to a maximum of 8 people (exception: Widder Restaurant). For quality reasons, a uniform menu must be ordered in advance for all guests with 9 or more people.

General Information

ADMINISTRATIVE SERVICES

We are happy to organize the event together with you. All administrative work within the scope of the events is included in the service. Additional work such as drawing up a table plan, writing name cards, etc. will be invoiced separately according to time and effort.

OBLIGATION TO PROVIDE INFORMATION

The organizer shall communicate transparently with the hotel regarding the subject matter, content and form of the event, in particular in regard to ethical, political and religious events.

NUMBER OF PEOPLE

The defined number of persons must be communicated at least 72 hours before the start of the event. This number serves as the basis for billing. If the actual number of persons is lower, the confirmed number of persons shall be used as the basis for billing. If the number of persons is higher, the actual number of persons attending the event shall apply. In order to guarantee a smooth process, it is essential to communicate the number of persons until shortly before the event.

Should the number of persons originally registered be reduced by more than 10%, the Widder Hotel reserves the right to invoice the difference to the number of persons stated 72 hours before the start of the event.

RESERVED TIMES

In order to plan the event well in terms of time, exact times must be specified when making the reservation. The duration of the reservation is obligatory, and the organizer must plan set-up and dismantling times and inform the hotel when making the reservation.

ROOM USE | ROOM CHANGE | RENT

The hotel may make changes to the rooms, provided the new rooms meet the requirements and interests of the organizer and the organizer's consent. In principle, rooms can be occupied regularly until midnight. Further occupancy is subject to a surcharge and requires permission from the relevant authorities. Rentals and minimum consumptions are based on the rates in the event documentation. Specified minimum numbers of persons are binding.

General Information

BRINGING IN FOOD AND BEVERAGES

All food and beverages must be provided by the hotel.

In exceptional cases (e.g. national specialties), the hotel may grant permission for external items, subject to an applicable service charge.

MENU | MENU CARDS

For quality reasons, a pre-ordered standard menu is offered for groups. We try to accommodate special requests as much as possible. Please communicate to us any allergies, intolerances and eating habits two weeks in advance. The menu price will then be calculated according to the food costs. Included in the menu price is an individual menu card, which is created by the hotel.

MENU CARDS

We are happy to print individual menu cards for your event with the desired title and/or logo. A fee of CHF 5 per menu card will be charged for this service.

TABLE PLAN | NAME CARDS

Upon request, we can print the seating plan and guest list for you. For the table arrangement and table labeling, we charge CHF 10 per table. Name cards can be created for an additional CHF 2 each. The desired table arrangement and the names of the guests must be sent to us no later than 72 hours before the event.

FLOWERS | DECORATION

In general, our event spaces are not decorated. We would be happy to order arrangements and floral decorations for you from our florist. These will be designed according to your preferences, wishes, and budget.

DELIVERIES | SHIPPING OF MATERIAL

Deliveries of materials for the event must be registered and delivered to the hotel as close to the event date as possible. If materials are to be shipped to the organizer before or after the event, shipping costs will be charged.

General Information

All program details, including any musical entertainment, must be communicated to the Event Team in advance, no later than 14 days prior to the event date. The Widder Hotel reserves the right to restrict or decline specific entertainment elements should there be justified concerns that other guests may be disturbed. The Event Team will be pleased to advise on the available options.

EMPLOYEES

Staff required for the scope of the event shall be provided by the hotel at no extra charge. In principle, however, auxiliary staff required in connection with the setting up and transport of technical equipment, decorations or other items shall not be available free of charge.
